***Brief History of the show***

We have had great success with this event in the past. It is free to the public and great for families to come check out new ice houses, fishing gear, ATVs and any other booths that are setup at the show. It's a great way to kick off the winter Ice fishing season! Families have really enjoyed the fact that they can get a head start on Ice Fishing before the lakes start to freeze.

***Hourly fishing contest***

We have fishing contest every hour on the hour at our trout pond that is setup in the event center. And anyone can register to win prizes. We have a grand prize drawing on Sunday at the end of the day for qualifiers that have caught red tagged fish during the hourly contests. They can win big prizes such as ice augers, Marcum fish finders, and portable fish houses.
